In response to the Restriction/Election Requirement dated 16 December 2002, applicants hereby elect Invention I which includes claims 1-10.

Applicants appreciate the Examiner's telephone calls requesting that we make an election over the phone. Unfortunately, we could not easily communicate with the foreign inventors, and therefore an election could not be made over the phone.

Applicants request continued prosecution of the elected claims. If there are any questions or comments about this Response, please contact the undersigned.

Respectfully submitted,
